To: David Stalheim <DStalheim@everettwa.gov>

Greetings—

As a former Everett City Councilmember, former Everett City Attorney, and a past chair and past member of the Everett Historical Commission, I would like to add my support to the written comments submitted by Mary Cunningham and David Koenig.

Of particular concern to me are the proposed changes to the lot merger provisions and height restrictions. These have the potential to adversely affect the character of long established neighborhoods in Everett.

Thank you for your consideration.
